Medical Office Plans and Policy Board

6 October 1953

C/PCD

Suggested Items for Policy Consideration

1. Will projects now in process be reviewed by the board?
2. Clarification of overseas rotation with the regard to past policy of blocking promotion beyond a GS-9 until individual has had overseas service.
3. Specific policy in regard to training:
 - a. Intelligence training.
 - b. Area training.
 - c. Administrative training.
 - d. Language training.
4. Consideration of policy in regard to recruiting of physicians and technicians:
 - a. Use of specific qualification tests at the time of the initial contact.
 - b. What can we offer to make up for the undesirable aspects of government service?
 - c. What are the factors that we are competing with for personnel and how can they be buffered?
